

Black History Month Presentation

CBA 5.1.1 | 5.2.1 | 5.3.1

What is Black History Month? - Black History Month is an annual celebration of achievements by African Americans and a time for recognizing the central role of blacks in U.S. history.

You will choose someone to research who was an integral part of black history. Using PowerPoint, you will create a presentation of this person following the guidelines below. You will have 2 class periods to create your presentation, then you will present to the class.
